Calling all Dads and Moms! Let your preschooler bring you to school for a morning of fun, Saturday, March 14th. Drop in anytime between 10am and noon! There will be some special activities for you to do with your child. It's a great opportunity for special time with your preschooler!

Spring Break

This year Spring Break will be the week of March 23rd through the 27th. Have a great vacation! We'll see you back on March 31st.

March Themes:

Our themes for the month are our sense of HEARING, the color GREEN and the DIAMOND shape. God gave us 2 ears to HEAR with and we will be learning lots of interesting things: not everything makes a sound; some sounds are loud and some are soft; we can make different sounds with our bodies by clapping our hands, stomping our feet, clicking our tongues; the opposite sound of sound is QUIET or SILENCE; some people cannot HEAR and they are called DEAF (they learn to read lips and to "sign"). We are using our ears to LISTEN to stories in the BIBLE about JESUS, and He uses His ears to listen to our PRAYERS. One story even tells us how the WIND and the RAIN listened to Jesus!!

Daylight Savings begins on 3/8. Don't forget to change your clocks ahead one hour!

We are excited about our upcoming Preschool year that starts in the Fall. We hope you are planning to join us in our 4 year old PreK class. Or maybe there is a younger sibling who is ready to join our 3's class? Consider REGISTERING TODAY! It will secure your spot, plus help us determine how many 3 yr old & 4 yr old classes we will have. We can't wait to count you in!

Spring is coming and soon we will be seeing new signs of life and LOTS of GREEN! We will read and try "Green Eggs and Ham" on Thursday, March 12th. You can bring something GREEN to wear and share on our GREEN Celebration day, March 12th.

Five green & speckled frogs sat on a speckled log, eating the most delicious bugs (yum, yum!). One jumped into the pool, where it was nice and cool. Then there were four green speckled frogs (glub, glub).
